

## HISTORIAN SPEAKS ON TINKERTOWN

TOWN HISTORIAN, MRS. DOROTHY WENTWORTH

Speaking recently to a group of approximately 50 members of the community of Tinkertown was the Town Historian, Mrs. Dorothy Wentworth. In her lecture relating the history of one of the oldest communities of Duxbury, Mrs. Wentworth suggested that organization of interested members would greatly enhance the perpetuation of Tinkertown history and stimulate community activity. Toward this end, the group organized as the Tinkertown Neighborhood Association, electing as its president Mrs. Hazel Greene and Mrs. Linda Mulrenin as secretary.
